

Building Bridges Action Plan

State: UTAH

State Team Members: Renee Olesen, MD FAAP Lynette Rasmussen

Goals: *(What outcomes do we want to see?)*

1. The project seeks to establish leadership in early brain and child development (EBCD) at the state level in order to develop and implement sustainable connections between health care professionals and the state's early childhood systems.

ECU

UT-AAP

DWS/DOH

Intergenerational Poverty

2. Using Intermountain Kearns Clinic as a pilot program integrating EBCD into the waiting room with pre and post survey's to establish effectiveness.
3. Create a public awareness packet-identify local media expert to advise us
4. CCRR

Review existing training materials for EBCD content. Add new/updated content where appropriate.

Webinar to train the trainers for the CCRR ladder.

Project Objectives: *(What could my state team do to work toward these outcomes? Example: Provide 3 EBCD presentations using the Speaker's Toolkit by December 2013.)*

1. Est leadership- beginning pieces in place ECU, OCC, CCL, UTAAP, Intergenerational Poverty Council
2. Public Relations Packet- Barbara Leavitt, Lynette Rasmussen, Renee Olesen lunch meetings with "the List".
Huddles, lunch, after existing meetings who is in our natural environment.
3. Renee Olesen will present EBCD to Early Education Childhood Conference in March 2013.
4. Renee and Lynette will co-present to Early Childhood Utah (our state's SAC) in summer 2013.

Project Activities:

- 1.
- 2.
- 3.
- 4.

Initiatives/Programs:

What initiatives/programs would be our best partners? Why these initiatives/programs? What steps would my state team need to take to establish/strengthen these partnerships?

BUILD Initiative, if applicable: _____

Role: _____

How to establish/strengthen partnership: _____

Child Care and Development Fund Program: In kind match grant to support building bridges endeavor. _____

Role: _____

How to establish/strengthen partnership: This is Lynette's area of expertise. _____

Child Care Resource and Referral: Using our Care about Childcare/UPIQ platform to disseminate EBCD. _____

Role: _____

How to establish/strengthen partnership: Partnership established. _____

Early Childhood Advisory Council: Present EBCD to this group. Now Early Childhood Utah (SAC plus ECCS) _____

Role: To spread the EBCD word to these important community leaders and players. _____

How to establish/strengthen partnership: _____

Early Childhood Comprehensive System: ECCS is now part of our State Advisory Committee called Early Childhood Utah. _____

Role: _____

How to establish/strengthen partnership: _____

Head Start: I participate in Early Head Start in my community. _____

Role: _____

How to establish/strengthen partnership: _____

Home Visitation - MIECHV: _____

Role: _____

How to establish/strengthen partnership: _____

National Association for the Education of Young Children Affiliate _____

Role: _____

How to establish/strengthen partnership: _____

Quality Rating and Improvement System: I included our use of QRIS with CCRR. _____

Role: _____

How to establish/strengthen partnership: _____

Race to the Top: _____

Role: _____

How to establish/strengthen partnership: _____

State Education Agency: _____

Role: _____

How to establish/strengthen partnership: _____

State Public Health Department: _____

Role: _____

How to establish/strengthen partnership: _____

Timeline:

What tasks are feasible to complete . . .

Right now: Early Education Childhood Conference EBCD lecture scheduled for March 23, 2013

Within the month: Lynette and Renee will meet to establish timeline goals.

Within six months: CCRR meeting and first steps, decide if Grand Rounds speaker is desired for latter 2013 or 2014 and for Summer Pediatric conference in SLC, UT.

Explore looping video on positive parenting with pre/post survey. I would like to pattern this after one of the other state's successful projects.

One year from now Integrate CCRR

Evaluation

Evaluation should be determined during the planning phase of any project and should be re-evaluated regularly just like the rest of the action plan. Consider how you want to measure needs, assets, and success. Consider multiple viewpoints.

Key activities to evaluate _____
